## Winter Classes start January 2007

We wish you a fabulous "quilty" Christmas with lots of time to relax. We are now ready to reveal our **New Year 2007 classes**. Have fun reading and planning which classes you will join in. We have a good variety of both freshman and sophomore level and have listened to your requests to extend the length of some classes. We have a few shorter classes and some new techniques on offer. Bernina Club continues and Joanne is offering an **Embroidery Club for the Aurora 440 owners**.

Carol Smith is now a well established member of staff and can be found in the shop once or twice a week, it's great to have her working with us. Susanne Barva is our newest member and you have probably met her by now. Terry, Joanne, Karen and Sherry continue to give great service and are always happy to help you out. **A big thank you to all our staff.**

We have new lines of fabric on order and we are always adding new patterns to our stock. The **Barbara Lavallee and Lynn Blaikie** panels are in stock at the moment.

**Bear's Paw Quilt School** is well under way; you will be given all your certificates on completion of your quilts. This seasons QuiltStart students have begun their portfolios.

We are continuing with our **class credit scheme** and you will get your 1/2 or free class coupon soon. We enjoy rewarding our customers as much as you enjoy your free class.

Canada Winter Games will be occupying many of our customers as volunteers and we will take a break from classes at that time. **Kluane Quilters** have issued a quilt challenge which will be on display in the shop for the duration of the games. More details are available on the KQ Guild website ([www.kluanequiltersguild.ca](http://www.kluanequiltersguild.ca)) On a sad note; you probably know that we have decided to close **Folkknits**. We will continue selling the stock at a reduced price until it has all gone. We wish to thank all the knitters that supported us through our short but enjoyable endeavour.

**Retreats** this season will be held at Sundogs in February, BPQ in March and Haines Junction in April.

Enjoy the season ~ **Ruth and Carol**

The points do not carry forward from one teaching session to the next, but your free class can be used or saved.

 = sophomore level class    ◆◆ = 1/2 point

## Skills Yukon

This is an organization that runs clubs to promote trades and technology. Competitions are held in the Yukon and the winners then compete within the Skills Canada group. Two years ago Ruth Headley and Cathy Miller started Skills Quilting for students at the secondary level. The club is held once a week at BPQ from 3:30pm to closing time. Feel free to visit and provide encouragement if you see us stitching away in the shop.

## Bear's Paw Quilt School

This year we opened our Bear's Paw Quilt School. It is initially for the benefit of the beginners, to organize and encourage them to make as much progress as possible in their quilt skills. Begin with QuiltStart and aim for the BPQ freshman level. When you sign up for QuiltStart you automatically start on the route towards the freshman level. Upon completion of QuiltStart you will receive a certificate listing your new skills. Even if it takes a year to get your quilt finished for the completed quilt photo, that's ok. After that your portfolio has really started.

For each class you attend, that is marked with a BPQ freshman symbol, you will receive a certificate and a photo and you move another step towards the freshman level. There is no set sequence for attending the required classes. There is no time limit, go slow and take years, or speed ahead and try for a year. Later we will publish the BPQ sophomore and BPQ graduate level requirements.

Meanwhile, any quilt class marked at the sophomore level can be banked. We hope that past QuiltStarters will want to join in and get their certificates back dated.

To achieve BPQ freshman level you must fulfill these criteria:

- \* Attend QuiltStart - class time of 10 hours
- \* Attend a class that uses triangles in the design
- \* Attend a class to learn paper piecing
- \* Attend a Level 1 colour class
- \* Attend a class that includes fusible web
- \* Attend a class that uses flannel fabric
- \* Attend at least one traditional piecing class
- \* Machine quilt a minimum of three small quilts (table runner, wall hanging, baby quilt)
- \* The Freshman level must total 52 hours of teaching, (QuiltStart plus 6 more classes.)
- \* Keep records of your quilt projects for your portfolio.

More details will be released as we go along. There will be a graduation party, of course.
