Thank you, thank you, thank you! Well done quilters – against all odds we are alive and kicking. We had a great – and I mean great – term, with oodles of new quilters and a fair number of quilters who came back after a few years break. All in all it was an exciting time. We managed to hold both Retreats – a bit reduced in numbers but such fun to be back, even wearing masks. Remember how odd we found the Asian tourists wearing masks...and now we are just as gung ho about them.

There has been and will continue to be problems around supply and demand. Hopefully things will improve.

Staff-wise, we have had a few changes. **Bernice** has been obliged to call it a day; she is no longer able to work in the shop. We will always remember her in her day as an excellent teacher, an immaculate stitcher and good fun to work with. We really miss the old Bernice. Also **Sharon** is no longer working in the shop. She was a great asset in all the tasks she undertook. She has apparently left town for pastures new.

Carcross Commons was fun, in its day too. We were there for three years – growing and learning. We started on the back row and by our third year we were on the main deck in a fabulous position. But I have decided that we will not return there in the foreseeable future. Shame, as I enjoyed my Friday outing working there.

To all the staff - shop and teachers, how glad I am to have you at my back. This is not a one-woman show. I knew that all these years, but it was 'writ in bold' in the spring/summer. I get quite emotional thinking about how I rely on you.

Skills Quilt

Try saying that 3 times!! This is the second year that we have run this club. We have a small group of four students who attend the club every Thursday, after school hours. **Dahn Casselman**, **Janet Rushant** and Ruth do the teaching. So far the year has proven to be satisfying

and enjoyable. Last year the four (different students) continued until COVID closed us down, but we managed to get their final project (a raggy lap quilt) finished.

with Laurie Jacobsen

BEGINNER

✂️ Actually, one of these runners is a centerpiece table mat, but that didn't sound as catchy!

We will start with the adorable mat, which uses a central feature fabric surrounded by 1-1/2" scrappy strips. Make one, make two! They are fast. The second runner uses 6 jelly roll strips and a backing that wraps around to make the binding. Equally fast...and fun!

with Dianne Hart

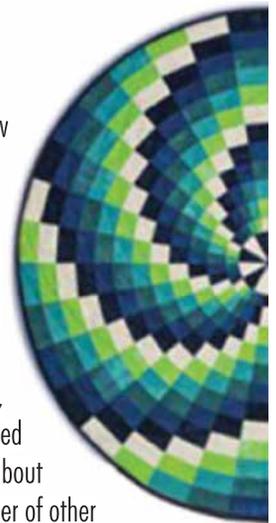

CONFIDENT

✂️ Bargello's are so fascinating. A simple change in colour creates a whole new look. Combine this with the versatility of a 10° wedge ruler, and the opportunities are endless. This project will focus on creating the beginners bargello following the pattern provided with the 10° wedge ruler. This 50" round quilt can be draped over a bed or a couch, used as a baby play zone or tablecloth, shaped into a tree skirt, or corners can be added to square it up. In the 2nd class we will talk about expanding on this technique to create a number of other designs that will be at you finger tips.

CHALLENGING

I think this pattern is called Cinderella because it transforms an orphan block into something beautiful! Five different block sizes can be used, ranging from 6" to 14". Check your sewing room drawers for a forgotten block, use a feature fabric or choose to piece the King's Crown block provided in the instructions. Regardless of the block you use, the eight pointed border sets it all off. Magic!

Class Level Guide

In an attempt to guide you to the degree of difficulty in each class we have designated the following words:

BEGINNER

Those straight from QuiltStart would manage these classes and every other level are welcome, of course.

CONFIDENT

If you were an experienced sewer before QuiltStart this would be do-able, or if you have made a few quilts and you feel confident.

CHALLENGING

These require considerable experience in quilting, and will take time and patience. But you have to sew your first challenging quilt sometime.

This is only a guide to let you know what to expect from a class.

27. Meadowland

with Laurie Jacobsen

BEGINNER

  A lovely spring quilt! And there is lots of room for your own interpretation of any season in the meadow. Two triangle squares make up the bulk of the blocks and a stitch and flip method creates the small flowers in the sashing. A choice of lap, queen or king size is included in the pattern.

BEGINNER

  This little project is addictive 😊. The 13" circle is covered in folded layers of fabric. It is perfect for hot pads and as a table centrepiece. Change up the colours and make it for any season or any décor style. Designs can be planned or totally scrappy. This is a great stash buster and perfect for gifts.

with Tara Schultz

CONFIDENT

  This wall hanging was featured in a magazine many years ago. It uses a paper piecing technique to create the flying geese blocks. This pattern is well suited to using batik fabrics, but also works well with non-batiks. The piecing method allows for reduced waste of fabric and is straightforward to create. Finished size is 36" x 36".

ALL LEVELS

  Here's another Melissa Marginet pattern that produces fabulous results with straight piecing techniques. The key to pleasing results is choosing fabrics with a high contrast in values. I had such fun piecing along with Melissa in a virtual quilt-along on this one. Some chain piecing, with accurate 1/4 inch seams, and you're there! (Melissa even includes some walking foot quilting ideas with the pattern.)
