Welcome Back Quilters

We were so proud and maybe a little bit complacent about our handling of COVID. We were safe and very lucky to be here and not in the hot spots...and then June happened. I so hope that by the time sign-up rolls around we have it all under control again. I want to travel, have friends and family visit and I know you do too. Thanks to you, my loyal customers and students we had a good year from September to April. So I approach the fall with great enthusiasm and confidence. Not much has changed in the shop, same staff, same teachers, and Judy is back to teaching after her sad loss.

As with last year I have had a tough summer. As I sit here typing I realize that I have seen not a single American and very few other tourists. BUT I made it through last year terrified that we wouldn't make it and this summer I am confident that I will make it to September, alive and kicking. My staff are on low hours, but I do get someone to join me for part of the day every day. I have been holding classes every Saturday just to ensure that those who want to quilt can do so. I've also opened the shop to quilters during the week. At least I have some company!!

Starting in September and through the year especially in the summer I will have a system of renting the classroom to groups and individuals, on these days my priority will be with the customer, whereas on Sew Far Behind the priority is the sewist.

As always I want to thank the shop staff for being so good and going above and beyond in their daily work at BPQ. And the teachers, who continue to find inspiring patterns and teach them so well. Thank you.

The biggest thank you though goes to you, the customer, for staying loyal and being there, spending your money and enjoying the classes that we organize.

See you in September, or actually in August.

~Ruth and the staff of BPQ

BERNIE & SHELLY are now allowed to come and work here. They have had their second vaccinations, and are happy to drive their RV to Whitehorse. They will start their visit teaching for a few days and then of course they will service our machines. You need to label your machine, and bring it in towards the end of August with a written note about any real problems you are having.

Important Dates

As Bernie and Shelley are **really** coming this fall and they are **arriving** on September 1st, we need to bring **SIGN-UP** forward. So **August 28th** it is.

Usual COVID protocols apply. See page 11. Watch for details on our **Facebook** page

with Ruth Headley

We have run this class before, a long time ago; we make a seasonal mini that fits onto a Staples slanted sign holder. The finished piece is about 9 by 12 inches. I try to use a different technique each month. We make kits as all the pieces needed are very small. The kit each month is \$15.00. If you turn up the next month with your completed mini you get a 33% discount on the next kit. Good deal. Your skill level on the finishing of these pieces will soar. It's great to make these as gifts.

The class is only an hour and I will be demonstrating various techniques.

Mystery Quilt Update

Hurrah! At last this club is able to resume. It will start in January 2022, oh that's the first time I have said or typed 2022. Anyway it is the usual, a Saturday morning meeting where I will reveal the next instalment of the quilt. I will hand out the written instructions, give extra help to ensure no one gets left behind and move one step closer to the final design.

This time there is only one line of fabric, but of course you are able to choose your own fabrics. I'm so glad we are able to offer this club again

Dear Jane is a quilt with a story. Started during a civil war and completed in 1863, it has 256 unique blocks and will challenge your stash of fabrics.  I just loved making this optical illusion style quilt, my only regret was that it is too small. I wish that I had made the blocks 4 times, then it would be a bed size instead of a wall hanging. It really was not a difficult technique, it is also quite quick to complete. All it needs is accurate 1/4 inch seams.

 We nicknamed BJ designs patterns fun and funky as they use such wild and wonderful fabrics on their appliqué. We have a lot of patterns already, but we can always order a special one for you. ALL LEVELS

with Ruth Headley
 Making this quilt uses the Melissa Marginet technique of joining ready quilted blocks. This means you can complete a large size quilt yourself. A reversible quilt should be different on each side, by colour, or theme. So you can do a green and black together, or spring and fall, or Christmas and Northern. The blocks are made by the stitch and flip method and can use fat quarters or scraps.

44. (Bee My) Honeycomb

with Laurie Jacobsen

CONFIDENT

When I found this hexagon quilt it inspired me to use a Moda 'Bee Grateful' layer cake I had been hanging on to for a special occasion, thus the name Honeycomb :) Ten inch WOFs can also be used... we will employ some creative cutting to suss out those hexagons and playful piecing to plant an occasional summer flower. Lots of fun!

45. "In the Hoop" Machine Embroidery

with Gwen Laxton and Dianne Hart

CONFIDENT

Many items can be made "in the hoop", ornaments, key fobs, pouches and much more. In the hoop pouches can be made in a variety of sizes depending on the hoops your machine has. For this class we have chosen this cute little "Birds in Bloom" pouch from EmbroideryLibrary.

This includes adding the embroidery designs to a simple fabric, using tear away stabilizer, sewing in a zipper and finishing the edges, all in a 5" x 7" hoop. Sound like a mystery? Come learn the secrets 😊.

47. EZ Breezy

with Ruth Headley
• ALL LEVELS • This is a quilt as you go technique, so no piecing, just sticking straight onto the batting.

It really is an easy make, the cutting is a bit scary to start, but I'm there to hold your hand. No raw edges so this table runner is washable, and you are going to love the walking foot quilting. Oh do sign up.

Saturday, November 27th 9:00am-4:00pm

48. Traveler's Notebook

with Judy Gibbons
CONFIDENT • Consider oneself fairly warned that Traveler's Notebooks are an obsession all their own! And when this obsession crosses path with an art quilting obsession you get this class! Students will use various surface design techniques to construct their own A5 sized notebook cover which can then be used for personal journaling, various 'art-ing', etc.

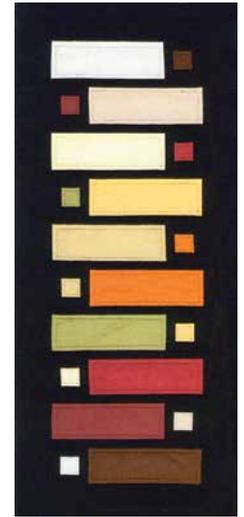

Sunday, November 28th 10:00am-5:00pm
\$65.00 + pattern

50. Buttoned Up

with Ruth Headley
BEGINNER • Table runner, bed runner or place mats. Guess which I made. I do so love bed runners, they look so good on top of a white duvet in the summer. I have a real collection now. I used Stonehenge, but lots of possibilities are available. Stick to a colour way, or a line like Chalk and Charcoal, or of course Grunge. This is a fun project, easy for the beginner.

Keep your eyes open for registration.

Bear's Paw Quilts - Workshop Policies

Classes are open on a first come basis. When a class fills up quickly, we often put people on a wait list and schedule another class.

We request that you leave babies and children at home when you come to a class. Teens are welcome in all our classes.

You are not officially registered until you have paid. GST will be added to class cost. You may pay for a class with Visa, MC, debit card, cash or use your class points.

Cancellation: In the event you cannot attend a class that you have paid for, we will issue credit or transfer you to another class if we receive 7 days notice. If we receive less than 7 days notice, we will give you class handouts, but no refund can be given.

Class Minimum: A class must have 3 students.

Sewing Machines: Please bring your own machine in good working order. An instruction manual for the machine is essential. Don't forget to bring extra machine needles. BPQ does have Bernina sewing machines for rent - see our Sewing Machine Rental Policy.

Supply Lists: are available for each class at the time of registration. Read it carefully and bring everything on the list.

Place: All classes are in the BPQ classroom. Ironing boards and irons are provided. 2 large cutting mats are provided. Please bring anything else you may need, and label all your personal equipment.

Please wear a mask while in the shop & during classes

As soon as you enter the shop please head to the bathroom and wash your hands

...and if you are not feeling well please be kind to yourself (and others 😊) and stay home.

Class credits

We offer you the opportunity to earn ½ price and even **free classes**. Each class you attend will give you points towards this goal. This is in addition to the free meters of fabric you can earn by using your BPQ fabric card.

◆◆◆◆ 3 points = ½ price class

◆◆◆◆◆◆ 6 points = 1 free class

The points do not carry forward from one teaching session to the next, but your free class can be used or saved.
